

# WHY TTN?

When you trust roadside assistance, maintenance, and recovery services to TTN you can expect better business results.

## We enhance productivity, reduce downtime, and lower the total cost of repair, maintenance, and recovery services.

TTN Fleet Solutions manages emergency roadside assistance, fleet maintenance, and accident and cargo recovery services for North America's most respected transportation, insurance, and logistics clients.

### **EMERGENCY ROADSIDE ASSISTANCE**

TTN Fleet Solutions offers the industry's largest, most reliable network of roadside assistance professionals. So when trucks break down, we can get them back on the road faster, with better information than any competitor.

### **TOWING AND ACCIDENT RECOVERY**

TTN Fleet Solutions manages towing and recovery toward significant savings. We carefully select providers, audit invoices, and ensure clients benefit from our purchasing power.

### **SCHEDULED AND PREVENTIVE MAINTENANCE**

Our scheduled and preventive maintenance services identify and resolve issues before trucks are on the road. We monitor warranty, data, hours of usage, and equipment conditions to help customers achieve the lowest possible maintenance costs.

### **CALL CENTER SUPPORT**

We offer 24-hour — private label or branded — overflow, or night/weekend/holiday support for call centers. Our clients benefit from our advanced technology, industry knowledge, proven notification process, and metrics management. Adding our service eliminates repair and breakdown calls from in-house lines and reduces wait-time for drivers.
